

Dear Customer

CORVID-19

The recent outbreak of Coronavirus across the world is having a huge impact on people's lives, and with the situation changing almost daily we're all trying to adapt our routine and follow the advice given to us by the Government and Health Authorities.

Following the most recent Government Directive we have most regrettably had to CANCEL all foreseeable future AUCTIONS and our Horticultural and Florists Sundries departments are also closed.

We will try to keep you informed of all developments but the Health and Safety of our staff and customers is paramount.

Nevertheless, we will try to provide a service wherever possible to assist our vendors and purchasers through these difficult times.

Your help and support is greatly appreciated and we will do all we can to help you to continue trading.

We are always mindful of everyone's safety and we must continue to adhere to Government advice.
